Informatives

1. This consent under a Tree Preservation Order has been granted subject to the conditions listed above. The Council has a formal procedure for checking compliance with planning conditions and you are advised to ensure that all conditions are fully discharged. Failure to comply with a condition can result in enforcement proceedings, including the service of a Breach of Condition Notice. You are further advised to engage the services of a qualified tree surgeon/arboricultural consultant to ensure that the works are carried out in a competent manner. Should your tree surgeon/consultant wish to have clarification of the extent of the approved works, then please contact Mr H Barnes-Moss on extension 1348 who is the Case Officer for this application, or the Council's Arboriculturist, Mr P Whish on (01273) 263166.

2. The applicant is advised that the tree works hereby approved should be carried out in accordance with the British Standard, "Recommendations for Tree Work", - BS 3998 : 1989. A copy of this document is available for viewing at the Planning Section Offices at Portland House, Richmond Road, Worthing, West Sussex BN11 1LF.

3. The applicant is advised that the cut branches, logs and foliage resulting from the tree works hereby permitted, should be disposed of or recycled in a manner that would not give rise to a loss of amenity to the occupiers of the adjoining and nearby properties, through smell, smoke or dust.

4. The Prunus tree to the north of the garage block at Arundel Court is not subject to the Tree Preservation Order, and the proposed remedial pruning works to this tree may, therefore, proceed.

This information is only intended as a summary of the reasons for grant of planning permission. For further details on the decision please see the application report which is available from the Planning Reception at Portland House, Richmond Road, Worthing.
