Dear Sirs

Planning Reference AWDM/1554/13
Land between 75A and 79A Old Fort Road, Shoreham-by-Sea, West Sussex

Please be aware that there is a Bus Stop directly outside this property (Compass Route 19) very close to the proposed entry/exit for the house on the west side of the land and exactly where the construction traffic will be wanting to unload.

I would like this to be taken into consideration during the building work, given how much construction traffic there will be during the build. Perhaps the bus stop could be moved a few metres to the east during the building work before being reinstated in its current position on completion.

Yours faithfully
