Dear Sir

Regarding the proposed Detached 2 story 3 bedroom dwelling in the rear garden of 71 Cross Road Southwick.

Having received a letter about the proposed building as above.. I would like to make my opinions below.

the building will overlook my property as a result I will lose not only my privacy, also there be a loss of light. Taking in the position of the property it would not only be out of character with the surrounding area it would interfere with the wild life that inhabits the numerous trees that are there.

if it was built, would this not encourage more schemes to be built along this corridor of land causing more issues for other home owners

Yours Faithfully

D Wilson
