Kind Attention Jackie Fox Planning Officer Worthing Borough Council

Dear Jackie Fox

Re 27 and 29 Richmond Road

Further to my email of 9th October 2026. I have since spoken with the Architect/Builder of the proposed garage with room above at 29 Richmond Road.

We have agreed the new construction will be done at a minimum distance of 25 cm from the wall and window of 27 Richmond Road.

Whilst the distance of 25 cm from the window may not be ideal I have no objection as I feel, along with the north facing front window, sufficient light will enter my lounge.

Providing the new building is built at a minimum distance of 25 cm from 27 Richmond Road I have no further objection to build proceeding as proposed.

Thank you

Kind regards

Malcolm Watson
