Reasons for comment:	- Design - Privacy Light and Noise
Comments:	We have two comments. 1 There will be loss of light in the ground floor room at the back of 59 Victoria Road. Although the architect's statement mentions the potential loss of light on 55 Victoria Road (which is to the south of the development), it makes no mention of the effect on 59 Victoria Road (which is to the north of the development). 2 Regardless of the materials used, the proposed structure will degrade the appearance of the back of our shared property.
