To: eve.hearsey@adur-worthing.gov.uk <eve.hearsey@adur-worthing.gov.uk>

Hello Eve,

I can confirm that the roof lights do not project more than 150mm for the perpendicular with the external roof finish of the original roof.

kind regards

Joe

Hi Joe
Sorry, I forgot to ask, please could you confirm that the rooflights do not protrude by more than 150mm beyond the plane of the slope of the original roof when measured from the perpendicular with the external surface of the original roof.

I have just returned to this report and hope to finish today, so if you could respond to this question by return it would be much appreciated.

Kind regards
Eve
