The Adur District Council hereby certify that on 07/02/2025 (reference AWDM/0005/25), the matter described in the First Schedule hereto in respect of the land specified in the Second Schedule hereto and edged red on the plan submitted with this application, would have been lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason:-

2. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:
   28 days of the date of service of the enforcement notice,
   or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier

3. Further correspondence about this application should quote the application number.

4. Where this notice conveys the granting of a certificate, please note that the decision does not purport to convey planning permission nor any consent or approval which may be required under the Public Health Acts, the Building Regulations, or any other legislation.
