Dear Sir/Madam,

Proposal: Conversion of existing two flats back to single dwelling house with alterations to existing front door, side door and rear doors. (21A and 21B Grove Road).
Site: AWDM/0414/24: - 21A Grove Road, Worthing, West Sussex, BN14 9DQ.

Thank you for your letter dated 02 April 2024.

Following the review of the submitted documents, we have the below comments for the Planning consultation.

Foul and Surface Water Drainage

Southern Water requires a formal application for any new connection to the public foul sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

The Council's technical staff and the relevant authority for land drainage consent should comment on the adequacy of the proposals to discharge surface water to the local watercourse.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
