Submission Type:
Customer objects to the Planning Application.

Comments:
Further to my original objections. I wrote to my local MP Tim Loughton who informs me that he was not aware of this planning application and would be contacting the council. In addition I would bring to your attention the front page of the West Sussex Gazette 24 Feb `Wind Turbine Dismay` in which plans to relax planning controls on wind turbines was sharply criticised by Chichester Harbour Conservancy because of the disastrous effects on wildlife and local residents. Also on page 11- Interestingly, West Grinstead Parish Council turned down an application for a 10mtr turbine , due to the effect on properties and problems with noise & would be visibly intrusive. I hope our council will take local residents objections seriously and the fact that surrounding houses were not notified of plans that could seriously effect

their property values and quality of lives.
