Reasons for comment:	- Design - Other
Comments:	<p>Many local residents have great affection for St. Marys Hall particularly in view of its central location, aspect to the Parish Church and previous use in part as a Dance Hall and Entertainment venue.</p> <p>However it is readily apparent that the building has fallen into disrepair and is now in need of significant investment.</p> <p>The current proposals to repurpose the site will enhance the area and support improvements which will have a positive effect on local residents and businesses.</p> <p>Incorporating a new Parish Office directly opposite the Church the development will provide a new focal point to benefit the whole community.</p> <p>Accordingly i hereby express my support for the development as proposed.</p>

Kind regards
