Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	The subject tree's eastern and southern aspects were reduced a few years ago (2014 I think) and nothing has been done to the northern and western aspects. The tree is creating a significant impact in loss of light to the back garden of No 2 Offington Drive which has half the subject tree overhanging it and continually reducing one or two aspects and not doing similar work on the other aspects must be unbalancing the tree. If this work is to be

done then all aspects of the tree should be done in a similar manner.

Kind regards
