Reasons for comment:	- Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I regularly go to visit a friend in the area, and the property at number 21 always seems to be poorly maintained ruining the overall appearance of the close/neighbourhood, in addition there are always big trucks parked in the property, i believe if there is further development that might hinder the parking within this property, leading to those trucks being parked outside, will without doubt, obstruct and block the close and parking for others. In addition, i believe that any further addition of properties to the area will lead to heavy traffic and disruption in the close.
