Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The lowering of the wall will increase a security risk to the site and the occupier's premises if there are any errors with the wall it would need to be reinstated as it currently stands We have been experiencing fly tipping and other petty crimes and this lowering of the wall will certainly make it easier for potential criminal activity I object to this planning application

Kind regards
