Comments Details

Comments:	A Construction Environment Management Plan (Dated:03/06/2025) was submitted in support of the discharge of Condition 5 of application AWDM/0333/22. I am satisfied that the CEMP demonstrates all topics requested in the condition have been addressed and all works are to be carried out in accordance with the submitted CEMP. Therefore I recommend the discharge of the relevant condition (Condition 5, CEMP).
