Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Design
Comments:	I am in support of this planning application, I have no objection to length at all. They have my full support to have full dormer at the front of the property too, as if or when I have the money I would like to do the same to my property. The family has grown so their house needs to too. M Clifton
