Planning Application AWDM/0013/19 OBJECTIONS

Dear Marie O'Keeffe

Please find attached photographs supporting our letter of objection to the proposed new dwelling at 36 Norbury Drive.

Photographs show the location of the existing dropped kerb serving 20 Ring Road and the extent of our driveway.

As 36 Norbury Drive are responsible for maintaining the fence/hedge to the North (shown on the photographs) and East and West of their garden, to our requirements, this cannot be removed without our permission.

Yours sincerely

Mike and Marita Herd
