Reasons for comment: - Privacy Light and Noise

Comments: We would not like these opening hrs as it would disturb our peace and quiet every morning and evening. We have lived here since 2001 and the previous owners opening hrs were more suitable to this area. I feel it will cause a lot of disturbance to us and our neighbours, causing distress to those that live nearby. This is a nice quite area but will not stay that way if the new opening hours are granted, so for this reason we strongly disapprove of this and request a discision for opening hrs to stay as they were with the previous owner.
