Supporting Statement

I am applying for change of use due to myself retiring, and I would like to change the existing office into a Beauty Salon for my daughter's business. Her and her family will also be living in the attached house. (2 Old Shoreham Road)

She is CIBTAC qualified and will be carrying out facials, manicures, pedicures and waxing on a one to one basis. Therefore, only ever having one client at a time.

We feel that this is a good business for the location and feel it will not impact on the surrounding area.
