Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	The Committee did not object to the continued use of the site as a hand car wash, subject to the satisfaction of Adur District Council's Engineer's questions being answered satisfactorily. However, the application should be recommended for refusal on the grounds that the construction of 2 canopies is overbearing, the design is not in keeping with the area and sets a precedent for further permanent development.
