Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	My concern is that the rear dormer overlooks my bungalow and that there is a corresponding lack of privacy in my second bedroom, kitchen, bathroom and rear garden. The owners of the property concerned have assured me that both the windows in the rear dormer will have frosted glass, so they cannot look into my rooms and garden. I only have an objection to this development if his doesn't happen.

Kind regards
