Good Morning,

I have received the Section 106 payment and contamination report which I will refer to EHO today. The cheque is for the wrong amount should be £6,960 as per my email not £6,690 which you enclosed. Shall I return the cheque to you?

With regards to the materials the Thakeham Red Multi bricks (Ibstock) are the most suitable as they are in keeping with the houses and flats around the site, rather than the yellow bricks. The grey roof tile is also acceptable however I will require details of what it is to fully discharge the condition.

Hannah
