Flag Status: Red

Good Morning,

As previously confirmed the application will be heard at the committee meeting on 12th October. I have today received amended plans from the applicant's agent showing the following: -

The garage roof will be replaced however at the existing height with no increase.
The utility extension is to be the same height as the garage (no increase in height)
The first floor windows have been reduced in size and will be fitted with obscured glass and will be non-openable apart from a top opening fan light on the bathroom.
The vent pipes have been removed from the side elevation.

I have a hard copy of the amended plan here at the Civic Centre Offices and it should be on line in due course.

I will however in the meantime send you a copy of the details for your information and further comment if you wish, as you are the only neighbour directly affected by these alterations.

Your intention to speak at committee has been noted.

Please contact me if you require any further information.

Yours sincerely,

Hannah Barker

Hannah Barker - Planning Officer BA (Hons) MATP MRTPI | Development Control, Adur District Council

Dear Hannah,

Following your visit this morning, I can confirm that we would like to attend and speak at the plannning committee hearing to support our objections.

Manythanks

Kevin Jarvis and Dawn Dare
