Thank you for your email.

I have sought some amendments from the applicant's agent regarding the utility and first floor windows and clarified that the garage roof will be replaced at the same height as existing (along with the utility extension at the same height) The side wall will be rendered to match existing and the guttering/drainage will be improved.

There will also be changes made to the first floor windows.

I will let you know when the amended plans have been received and you will be able to make further comments if you wish.

The application is likely to be heard at the committee on 12th October however you will receive written confirmation prior to this date.

Yours sincerely,

Hannah Barker

Dear Hannah,

Following your visit this morning, I can confirm that we would like to attend and speak at the plannning committee hearing to support our objections.

Manythanks

Kevin Jarvis and Dawn Dare
