Dear Stacey,

PLANNING APPLICATION AWDM/1883/15 – CONDITION 20 TRAFFIC REGULATION ORDER

I refer to planning application AWDM/1883/15 and condition 20 which requires a Traffic Regulation Order (TRO) for changes to the parking restrictions on Upper Boundstone Lane, Sompting.

I attach a plan showing the proposed restrictions as agreed with West Sussex County Council (WSCC) Local Area Traffic Team on the 4th January 2018. Consultation was undertaken with Sussex Police, Lancing Parish Council and Sompting Parish Council as summarised on the enclosed form. No objections have been received. As part of WSCC Highways TRO process the WSCC Local County Councillor is required to approve the proposals. The Local Member, Lt Col George Barton, has now approved the proposal [28th February 2018] and a formal submission to WSCC TRO Team can now be made.

The condition of the planning application is set out as follows: "*No development shall be commenced until such time as a Traffic Regulation Order, or revision to an existing order, securing the provision of no waiting at any time restrictions along Upper Boundstone Lane up to A27 in accordance with details to be submitted has been approved by the Highway Authority and written confirmation of this approval has been made available to the Local Planning Authority*". The required TRO has now been approved by the WSCC Local Member, as required by the WSCC TRO process, and therefore I consider this Condition as being discharged.

Any queries please get in touch.

Kind regards
