Description of Proposed Works

Please describe the proposed works

Removal of the existing 1980's wood and glass conservatory as it has deteriorated and is in an unsafe condition, made worse by recent storms. Make good walls/render where it connects to the main house and paint any new render in similar colour to existing render. Re-use existing door to house, adjusting floor height as necessary. Replace lights and sockets in conservatory with weather proof versions where kept.

Has the work already been started without consent?

◯ Yes
⊘ No

Materials

Does the proposed development require any materials to be used externally?

⊘ Yes
◯ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:
Walls

Existing materials and finishes:
Conservatory is levelled and fixed to house with flashings and timbers screwed into render.

Proposed materials and finishes:
Removal of conservatory is likely to leave damaged/missing render, this will be replaced with new render, painted in similar colour to existing render on the house.

Type:
Doors

Existing materials and finishes:
Conservatory door leading to garden to be removed along with the rest of the conservatory. Existing door from house into conservatory to be kept and weatherproofed.

Proposed materials and finishes:
Existing door between house and conservatory becomes the door between garden and house. Already a solid wood external door with high security locks and fittings, no changes anticipated. The door is painted Leaf green, matching all the other external doors into the house and the garden gate.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

- [x] Yes
- [ ] No

If Yes, please state references for the plans, drawings and/or design and access statement

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

☑ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

Planning permission required as Warren Lodge is within a conservation area and even a demolition requires permission for the size of site. Email sent from Browngurney@gmail.com .

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
