PLANNING SERVICES

Dear Mr. Barnett.

I am writing to object to the new signs outside Grove Lodge, Southwick Street, Southwick, Sussex. BN42 4AD. Ref: AWDM/1307/13

I was initially concerned about the design of the signs because of the beauty of the building. My concerns were obviously well justified.

I was then under the impression the application had been refused.

I had been away for a few days and upon my return was horrified to see the eye sore. I feel it most inappropriate for such a building, it is basic, crude and totally out of keeping. In my wildest dreams I cannot understand how such an awful display could be allowed.

I understand the veterinary practice would want outside advertising, but it should be of class and character rather than the cheap childish 'kinder garden' appearance presently displayed.

Surely it is a responsibility one takes on when purchasing such a property.

Yours sincerely
