Dear Sir/Madam,

Thank you for your letter informing me of a plans for RE: Demolition of existing shed and construction of two storey 2 bedroom dwelling attached to existing east elevation.
I am the owner of 31 Grafton Gardens BN15 9SP.
I must say I was rather taken aback when your letter arrived on my door mat. Yes, I will comment. Building creates a lot of dust and possibly asbestos! To construct a 2 Storey - dwelling means more people/children and may block out the sun, as I am South facing. The sun is important to me. I am not on the Internet. Before concluding, I have gatherings here at 31 Grafton Gdns Meditations, it is important to keep our area as peaceful as possible at certain Times. I was very surprised coming home late to see so many cars parked on Road & pavement! There will be no room for any more! (Cars)

Yours faithfully
