Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	The development is dominating my view to the rear of my property. The south facing window directly looks over my garden, and into my conservatory and living room, it overlooks my entire property. The building towers above my rear fence, and is on a higher level than my rear garden. It appears very close to my boundary.
