Re: AWDM/0224/19
With regard to application for Air B&B at 33 Valley Road.
We initially were not too concerned with the above property redevelopment. We have only just found out that the main house at 33 Valley Road has been split into 2 residences which has increased the cars at the address to at least 5 cars and then there will be extra cars parked when the B&B is in use, plus likelihood of extra noise that may come about when holiday makers are staying in the B&B. Since they moved in the extra traffic volumes are becoming a real headache. The parking in this road has been manageable up until now but now it is becoming a nightmare and at times a real problem for the buses trying to get by with cars parked on both sides of the road, plus cars parked in front of the bus stop, which has caused some problems (I have seen this myself) for residence trying to get on the bus.
We therefore object to the proposed plans.
