Subject: Planning applications

Keith

The following is the response to applications:

ADC/0490/10 Sompting Peverel
The Council objects to the proposal. Reasons being:
Should be refused in the interests of the character of the locality The loss of flint walls in Sompting should be prevented Contrary to the character of the locality Closeness of proposed entrance to the road junction

ADC/0037/11 ; 0025/11; 0042/11 - all NO OBJECTION

Enforcement:

The members have raised the issue regarding the state of the front garden of 12 Busticle Lane in that it is a rubbish tip. Can anything be done to remove this mess, please.

Also they resurrected the shutters at the convenience shop at Hillbarn Parade. What is the current position on removal?

David
