Comments There are 3 householders that use the Sharred drive We are all disabled and have respect for each other whilst using the Sharred drive

- Access to all 3 properties is needed 24 hours a day as ambulances are called out frequently. This has not been a problem in the past as all 3 householders understand that we all need medical attention due to our disabilities
- The applicant has ample parking in Leconfield Rd without coming into Myrtle Crescent which suffers a great deal of congestion

Unless you indicate below you will not be allowed to speak at the Committee meeting:-
