Details	RE; REFERENCE NUMBER AWDM/1247/12 Retention of detached rear garden dwelling at 36 Eastbank,Southwick,Sussex Dear sir/madam Recently we received a planning application for an outbuilding at the above address.We have objections to this application and many concerns/issues. he has built without planning permission a flat roofed bungalow,this is not an outbuilding but a gigantic bungalow that he had no permission to build but did so anyway.i object strongly to the 2 double windows overlooking our property.this bungalow has been built closer to our property than his own.it is an ugly eyesore far to big and too high and the height and windows take away our privacy and it is lit like a lighthouse,i emailed you but you have not replied
