DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

Discharge of Condition 10 - Construction Management Plan

The construction management plan has been submitted to the LPA for approval. WSCC as the County Highway Authority has reviewed the submitted plan to ensure the safe operation and use of the public highway is maintained throughout the construction phase.

The traffic management plan shows that vehicles will use Old Barn Way to access the football ground and will provide two entrance and exit points. All construction related vehicles will use the site for all construction purposes and this will not obstruct the public highway.

Therefore WSCC raise no objections to the use of the site for construction purposes.
