Dear Peter,

Since our response dated 11 September 2025, we have engaged constructively with
the applicant to resolve the outstanding Strategic Road Network (SRN) matters, in
this case matters affecting the A27 in the vicinity of the site.

We have reviewed additional information provided by the applicant.

Please find attached our updated formal National Highways' Planning Response
(NHPR) which **recommends that planning permission should not be granted for
a period of one-month until 12 January 2026**. This is to provide sufficient time for
the applicant to resolve the outstanding matters that we have identified.

This NHPR replaces our response of 11 September 2025.

Should you or any others have any queries regarding our response, please contact
us via planningse@nationalhighways.co.uk.

Kind regards,

Nigel De Wit MRTPI, Spatial Planner
