Comments: I believe that this application should be supported, its a great addition to the coast of lancing beach and will only bring positive additions to the area. Its fantastic to see this building come to life and would be a massive lose if it couldn't realise its full potential as a venue for us all to enjoy. I for one am looking forward to being able to use the cafe. This application is the type of thing that brings Lancing to life and modernises it, it will be a hub for a family day out on the beach in what is a lovely little town fighting to improve. Help Lancing, don't hinder good ideas.
