Comments: The conditions made by the planning dept have been ignored and the applicant has simply reapplied with what is clearly not a garage but more a summer house and tool storage.What concerns us neighbours is the principle that planning conditions which were implemented for good reason can be changed .There are 2 houses to be built in the garden of 14 Ring Rd with a long list of conditions and we are worried that the developer can apply to have these altered and the planning dept might well agree .Which makes a mockery of the system.
If a condition is made it should be adhered to at all times.
