MRS JEAN GILLAM,13 ORCHARD CLOSE ,SHOREHAM BY SEA BN43 5UT

[redacted]

Dear Mr Barnett

A letter came to my attention recently regarding Planning Application

For a proposed storage area and access from Orchard close may I point out that

There address is Old Shoreham road and not Orchard close we have enough trouble parking in our close now without any further traffic , also we have been down this road before with the building before trying to get access from Orchard close .

Showtec will not be cars it will be commercial deliveries which I am very unhappy about and will protest this planning application as will all the residents in Orchard close as we have done before

We all have trouble parking at times and

now most people in the Close have more than one car per household

KIND REGARDS

MRS J GILLAM
