Dear sir/madam

I have your letter of 11th August..

The tree is hardly visible to anyone not in the Southern Cross garden so I am not sure what 'amenity' value it has. The Street thankfully has an abundance of trees and ADC severely pruned one at the northern entrance to Lesser Foxholes which was to the good. I have absolutely no problem with endorsing the application which, if accepted, will improve the owners' lives.

Yours faithfully

Geoffrey Sargent
