Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Trees and Landscaping
Comments:	Viability turning out of Overmead is already dangerous enough, without a building and the applied for fences and plants being in place. Had the application 3 years ago for double yellows either side of the junction been granted this would be less of a problem. The other concern is he number of additional vehicles trying to.park I Overmead close to the corner. The potential is upto 8 on street and this would not be viable for Overmead as a cul de sac.

Kind regards
