Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	Our house is directly behind this one. The houses are in fact quite close and we are separated by a block wall and a 6ft hedge on our side. This has always only been a one story bungalow. At the moment there is a curtain of mature trees and shrubbery on the other side of the wall which maintain the privacy of both houses and gardens. In principle we were going to have no objection to this extension However we have heard from another neighbor that they intend to remove these. We would like some assurance that the owners intend to leave the protective trees and shrubs in place before withdrawing this objection. Kind regards Kim and Stephen Fuller
