Orthodontic Procurement District and Area Profiles

Lot ID:	SSE38	Region:
Planning Area:	Adur	Lot Volume (Inc. +5% UOAs):
		Population of 12 Year olds (2018):
Number of Contracts: 1		Estimated Orthodontic Need (CoTs)
Local Summary		Estimated Orthodontic Annual Need (UOAs):
Adur is a local government district of West Sussex, England.		Ongoing Existing Provision (UOAs):
It was created by the merger of Southwick and Shoreham urban districts and the civil parishes of Coombes, Lancing and Sompting that form a strip of settlements on the south coast, between Worthing and Brighton and Hove collectively known as the Brighton/Worthing/Littlehampton conurbation.		Balance For Commissioning (UOAs):
The Lot in Adur is considered below the threshold for a viable single contract. Therefore it is recommended that Adur be combined with Worthing.		Secondary Care Activity (Indicative UOAs):
Commissioning Intention: Total contract of 13,995 UOAs comprised of Hub of 8,754 UOAs in Worthing and Spoke of 5,241 UOAs in Adur		Map:
Recommended location: Worthing (Hub) and Shoreham-by-Sea (Spoke)		

5,241 (Spoke) in Worthing giving total contract of 13,995)
