Hi Eve,

Thank you for providing Subadra's Phase I Environmental Assessment (ref.: IN18436 CL 001, dated October 2018) in relation to the above application.
Having reviewed the report, I can confirm that other than spotting an error message in the 'Notes' section of 1.4, PH&R have no comments to make. It is recommended that the proposals pout forward in the 'Conclusions and Recommendations' section are observed and we look forward to receipt of the Phase II investigation.

Thanks again,

Kate.
