Hi there Hannah,

Apologies for the delay.

We have no objection to the application. I also met with Steve a little earlier as this is a corporate building and all is fine.

Kind regards,

Adrian

Dear Bob,

A memo was sent to your department last week, however I was hoping that a confirmation email could be enough here to allow me to determine this current planning application without delay.

The planning application is for a storage container adjacent to the rear fire door at the Shoreham Centre Pond Road. As this is Council owned land I was checking that you have no objection to this/knew about this? We propose a temporary permission of 3 years for the container to allow for a more permanent solution in due course.

I look forward to hearing from you.
Hannah
