Dear Hannah,

Further to your phone conversation this morning with my wife Vanessa Jones.
We would like to comment as follows on the application AWDM/0593/24, as discussed we aren't currently able to do this via the Public Access on the A&W website due to a server issue.

The plans appear to indicate that the single storey extension will extend along above or over the existing garden boundary wall which may encroach across the boundary of our property (neighboring Ivy Cottage). These properties were built in 1806 and we believe that the manner of construction places the wall on our side of the boundary between Norris & Ivy Cottage. This would appear to be so when a vertical line is taken from the party wall separating the roof/loft of the two houses. If this is in fact the case we would not be in agreement with the proposal.
We will be very grateful for further clarification of the proposal in regard to the boundary wall.

Yours sincerely

Richard & Vanessa Jones
Ivy Cottage
East Street
Lancing
BN15 8BB
