Proposed development
2 changeable tarpaulin adverts (one on north side of building and one on south side)

Location of development to which application relates
Co-Op Superstore South Street Lancing West Sussex

Comments

We feel the application for a tarpaulin advert on the north side of the superstore should not be allowed as it is not in keeping with a residential area. It will be viewed from housing to the north and this type of sign will be obtrusive, likely to deteriate quickly and be easily vandelised
