Dear Sir/Madam

Please find 3 copies of all and my cheque for £170.00, I am unable to give exact date this work took place, but think it must have been between October 2009 and December 2009, the new front was put in by a previous tenant with out planning or my consent, I enclose a photo of the shop, the colour is same as Woolworths used in their logo, and can only think tenant put these doors on to save the heat in winter.

I await your response and if I can answer any more questions please call me on my mobile [redacted]

Yours Sincerely

[redacted]

Martin Glynn
