Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	On behalf of the Goring and Ilex Conservation Group. Following advice on the proposal, the reduction and crown lift should reflect the natural form of the tree and avoid becoming a clipped Yew feature. To be less damaging to its form and stature, we believe that the crown height reduction should be no more than 1 metre rather than the up to 2 metres proposed. Bob Niall Secretary GICG
