Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	There is a silver birch tree on the border of the site and we do not want the tree or its roots damaged. I trust that the developer is aware that Clifton Lodge will require vehicle access at all times and that the site will be kept tidy at all times. What are the plans for dirty drains etc as Clifton Lodge has to pump its sewage up to the main drains. Yours Sincerely J. Trute
