Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	Have had previous issues with over loud generators over night, and lorries loading and unloading over night. Also positioning of 'smoking Area' was previously against my back wall, smoke drifting into garden, rubbish thrown over the wall and excessive foul language. Not appealing to sit out with friends. I have a small grandchild who I do not want exposed to this. If all things are taken into consideration then I am happy for this to be used by another company but would prefer NO NIGHT SHIFT.
