Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment: - Highway Access and Parking

Comments: Hello, I cannot find any plans for this application. However, I am very concerned about a possible increase of cars parking on the grass verge in front of our block of flats. In particular the section adjacent to our vehicular access. When a car is parked on the verge it makes it very difficult to see the road when trying to enter Crabtree Lane. Technically I don't think it is legal to park on the verge but unfortunately is happens on a regular basis already. I wonder - what is the procedure to get bollards in place to stop it happening? A further point of concern is having additional vehicle access so close to the recently installed pedestrian crossing.

Kind regards
